KAREL DOORMANWEG 66, SCHIEDAM

 S-DOCK

S-DOCK is a sustainably renovated office building with a contemporary ground floor that welcomes users and visitors in a pleasant environment. S-DOCK encourages mutual interaction between tenants. Therefore communal facilities are created on the ground floor.

Your flexible workstation

The office building includes a reception area, coffee bar, restaurant and formal & informal meeting spaces on the common ground floor. The outdoor terrace creates a pleasant space for relaxation and connecting people.

The office floors provide great flexibility for layout and offer breathtaking 360-degree views of the port of Rotterdam/ Schiedam/ Vlaardingen on one side and the city skyline of Rotterdam on the other.

Sustainability

S-DOCK is committed to sustainability and has met the following features to fully comply with Paris Proof, Carbon Risk Real Estate Monitor (CRREM) and EU tax regulations:

- Energy label A++
- BREEAM In-use Very Good
- Heat pump
- LED lighting
- DC-fans
- Solar panels

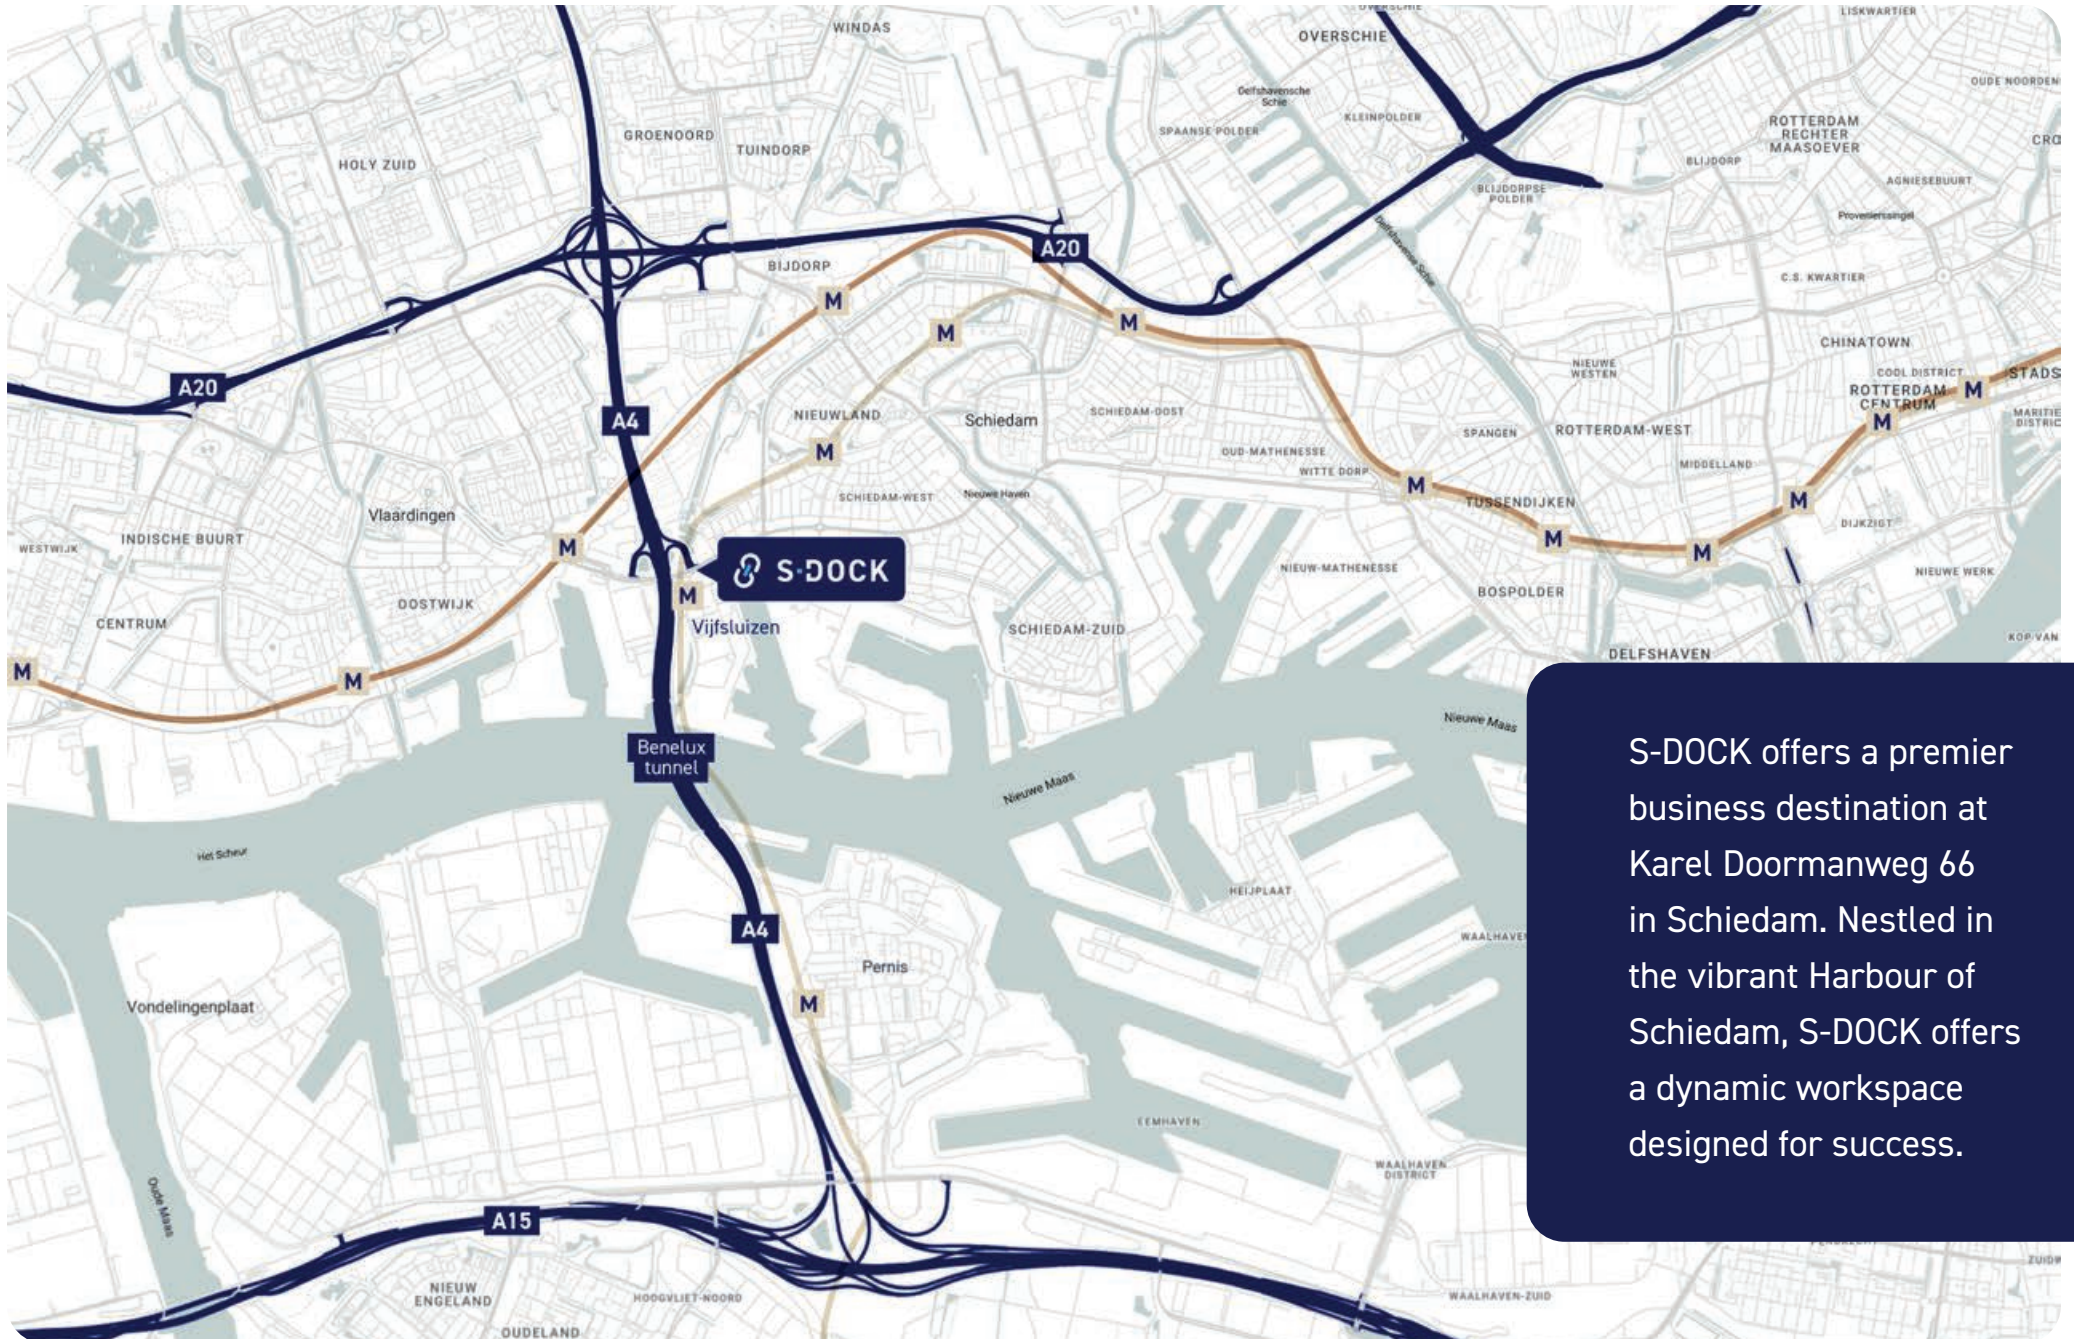

The office provides **excellent accessibility**, conveniently for both car and public transport users.

S-DOCK offers a premier business destination at Karel Doormanweg 66 in Schiedam. Nestled in the vibrant Harbour of Schiedam, S-DOCK offers a dynamic workspace designed for success.

Accessibility

This prime location in the Schiedam port area is next to the highway A4. S-DOCK is excellently accessible by public transportation, in front of Schiedam Vijfsluizen Metro Line. Tenants who like to transport themselves by water can use the Watertaxi that stops in front of the door. S-DOCK has its own indoor parking garage. There are also P&R facilities in the immediate vicinity.
